Scope and usage rights

- Duration, slide count, language, revision scope, delivery date and publication channel are agreed in the written brief.
- Paid use is separate: ads, boosting, whitelisting / Partnership Ads, Spark Ads and dark posts are not included.
- Brand-account reposts, website use, raw files, extra edits, exclusivity and extended usage require a separate written quote.
- Ownership is retained. A licence identifies the asset, platforms, countries, term and permitted edits. No perpetual, transferable or unlimited buyout is included.
- AI training, voice cloning, synthetic likeness and sublicensing are excluded unless separately agreed in writing.
- Production, payment and tax / invoicing terms are confirmed in writing. Usage starts only under the written agreement and agreed payment terms.
- Sponsored content is disclosed. Views, sales, rankings and conversions are not guaranteed.
